The material facts constituting probable cause that the search should be made are:

On 6/10/09, the Clarke County Sheriff's Office responded to 500 Lakeville Farm Lane, Boyce, Va. for a report of a missing person (Kayleigh Marie Plamondon) who was house sitting at the residence. Inv. N.D Chambers with the Clarke County Sheriff's Office responded to the residence and found blood on the floor and carpet. Kayleigh's vehicle, purse, wallet and keys were located on the property. Kayleigh has not been located at the time of the application of this search warrant. Inv. Chambers has determined through the investigation that Justin Slater is the estranged boyfriend of Kayleigh Plamondon. Inv. Chambers spoke to Justin's father Greg Slater Sr. at 305 Raccoon Dr. Winchester, Va. 22602 who stated that during an incident on 6/3/09, he thought Justin was on drugs and he reported that Justin had been talking about committing suicide due to his recent breakup with Kayleigh Plamondon. On 6/3/09, Justin Slater was transported to the hospital for a voluntary commitment for a mental evaluation. When he was leaving he stated to his father that "he is better and that he knew that he did not have to die, but that he knew that only one person had to die". Greg Slater Sr. believes that Justin is upset with his brother Gregory Scott Slater because Justin thinks that Gregory Scott Slater has been trying "to get together with Kayleigh". On 6/10/09, Sgt. Jason Cornwell with the Frederick County Sheriff's Office responded to 293 Valley Mill Rd. Winchester, Va. to locate Gregory Scott Slater. Sgt. Cornwell found the residence to be secure. Gregory's only vehicle was located in the driveway. Sgt. Cornwell contacted Gregory Scott Slater's direct supervisor, at Valley Protein who stated that Gregory Scott Slater was scheduled to work from 1200 to 2200 hours and Gregory Scott Slater did not show up for work on 6/10/09. Sgt. Cornwell attempted to contact Gregory Slater via Gregory's cell phone, cell number 1-540-327-2834 and it went directly to voicemail.
